## Miss MacPhail To Speak On Jails

Canadian Press  
Ottawa, July 3.—Attempts by Prime Minister Bennett to secure from opposition members of the Commons some basis for agreement on an hour at which Parliament could be prorogued were frustrated this afternoon.

Mr. Bennett, who was expected to reach 6 o'clock, the former minister of agriculture, Hon. W. R. Motherwell, however, was of a different opinion.

Mr. Motherwell, upbraided the government for seeking to hurry matters, and declared the facilities for prosecution could wait until they were called.

Mr. Bennett assured the House he was not getting to hurry matters, but it was only fair some agreement be reached to the hour for closing could be approximately fixed.

## WHEAT AGREEMENT DEBATED BY M.P.'S

Motherwell, Addressing Commons, Says Canada Should Extend Its Markets

Ottawa, July 3.—Canada would live up to all obligations under the world wheat agreement, Premier Bennett told the House of Commons to-day. There had been no breach of the pact by Canada and there would be none.

Hon. W. R. Motherwell, Liberal, Meville, Sask., former Minister of Agriculture, introduced the wheat agreement, attacking it on the grounds it meant acreage and production reduction. Canada, he suggested, would be better advised to extend its markets for wheat, for instance, to the Orient, than to curtail production while millions throughout the world were hungry.

## Nazis Say Fewer Than Sixty Killed

Canadian Press from News

This was indicated following a cabinet meeting in which General Werner von Blomberg, minister of the Reichswehr, congratulated Chancellor Hitler on having averted civil war in Germany.

Berlin, July 3.—Chancellor Hitler issued an order to-day putting an end to special measures used to quell the "Second Revolution" and announced that henceforth the regular courts of justice would handle offenses against the Weimar Republic.

Two groups were in conference to determine the further fate of the Reichswehr. One was an important session of the cabinet in which the resignation of the Reichswehr was being discussed.

Another was a meeting of the inner council of the Reichswehr.

### STOCK MARKET CONTROL IN U.S.

Associated Press  
Washington, July 2.—A warning confirmation of Joseph P. Kennedy by the United States Senate may depend on the vigor with which stock market control is administered today in the wake of the new law.

Kennedy, Democratic financier and friend of President Roosevelt, yesterday evening was elected chairman of the regulatory commission.

The White House backed Kennedy for the post. Commissioner Ferdinand Pecora, noted as the Senate's investor of Wall Street, had been named for chairman. There were reports he opposed the appointment of Kennedy.

Senator Duncan Fletcher, Florida Democrat, an author of the law and chairman of the banking committee, indicated that if Kennedy's services were satisfactory he would not oppose his nomination.

### THREAT AGAINST CHURCH LEADERS

Associated Press  
Bathurst, Germany, July 2.—A blunt warning that firing squads might be "plotted" against the Catholic priests who made holy the Nazi regime, was made here by Helmut Bruckner, Governor of Silesia.

Addressing a meeting of Nazi Party sub-leaders of Upper Silesia, Bruckner set held up Chancellor Hitler's swift action against conspirators as a serious and last warning.

Referring to priests as "unreliable old men," he threatened to catch "misleaders."

"The priest belongs in the church, not on the street," he said.

"When on Corpus Christi Day this shrine, of the Blessed Virgin is carried in the streets we shall permit anyone to express his religious feeling in the streets. But when that is over religious exercises belong in the churches. We will catch all who are against Adolf Hitler."

The staunch Catholic population of Upper Silesia was alarmed by the governor's speech.

Associated Press  
Lafayette, Ind., July 2.—A new "wrist watch" which will keep the whole body cool in hot weather was announced yesterday at Purdue University.

The device looks like a watch, but instead of keeping time, it keeps a pellet of dry ice, or solid carbon dioxide, at 100 degrees below zero.

The effects are the same as dipping the wrist in cold water, a favorite hot weather trick, or of keeping a stream of cold water running over the hand.

A normally cooling stream of cold air and cold carbon dioxide gas flows over the sensitive spot on the wrist where the radial artery is close to the surface.

One small pellet of the dry ice lasts about an hour.

Associated Press

### New Parliament Will Be Chosen Nov. 15 Or Earlier, Government Announces

Associated Press  
Ottawa, July 2.—The government to-day announced a general election will be held next November 15 or earlier, if possible, to avoid conflicting with the proposed visit to the Commonwealth of the Duke of Gloucester.

It was said the third son of the King and Queen might be asked to open parliament after the election.

The United Australia Party government of Premier James Lyons was formed January 6, 1932, and reconstituted October 13 of the same year. The Australian constitution provides a general election must be held every three years, unless parliament is dissolved sooner.

### ALIMONY DODGER IS SENT TO JAIL

Associated Press  
Bellingham, Wash., July 2.—The secret of money in a Canadian bank to escape payment of temporary alimony to an estranged wife may be the first time a Canadian has been sent to jail for contempt of court.

Clarence Croden, forty-one, who announced before Superior Court Judge R. E. Hardin that he had deposited \$700 in a Canadian bank so his wife could not get any part of it, found himself a few minutes later a tenant of the county jail.

Croden was brought into court to show cause why he should not pay \$25 a month temporary alimony and court costs. When it was revealed he had deposited his money in a Canadian bank and refused to consider himself a resident of the state, Judge Hardin announced he intended to send him to the county jail for sixty days.

"Make it ninety," Croden retorted. "I'm gone," the judge replied.

### PICTURES STAY AT EXHIBITION

#### Devotional Exercises at Beacon Hill and Singing in Parliament Square

Devotional and choral observances of Dominion Day were given wide support on Sunday as a non-sectarian service was conducted at Beacon Hill Park and the massed male choirs of the Arion Club and the Victoria Male Choir sang in front of the Parliament Buildings.

Before an exceptionally large gathering at Beacon Hill, Rev. James Hyde led the prayer, while Rev. A. deL. Owen gave a Bible reading. An address of particular import to young people was delivered by R. H. Birch, and Rev. Dr. A. S. Innes, B.A., B.Th., also spoke.

Hymns were sung during the service to the accompaniment of the Salvation Army Band. A quartette from the Salvation Army and Miss Bowles were heard in vocal sacred numbers. The service started at 2:30 o'clock and was followed by a hour and one-half later by the massed singing in Parliament Square.

Two planes accompanied the massed choir of 100 voices under the direction of Frank Tugman of the Victoria Male Voice Choir, and Frank Schell, leader of the Arion Club. Mrs. C. C. Wern and Miss McQuinn, Daniels, L.A.E., were at the piano.

Miss Dorothy Parsons, soprano soloist, accompanied by her father, Edward Parsons, organist at St. James' Anglican Church, sang Handel's "Rejoice Greatly" and Stanford's "Song of Praise."

The massed choir sang the following programs: "Landema" by Prothero; "Prayer of Thanksgiving" by Wagner; "How Let Every Tongue Adore Thee" by Bach; "Gloria" by Kallivada; "The Little Church" by Davies; "Glorious Forever" by Bachmanoff; "By Babylon's Walls" by Gounod.

### MICKY MOUSE PARADE FEATURE

#### He and Minnie Win First Prize in Street Show; At- tractive Costumes and Cars

With Mickey Mouse and Minnie, old Mahelma Gandhi, and Charlie Chaplin particularly stirring the delight of the street crowds, the Dominion Day parade opened Victoria's public celebrations at 2:30 o'clock Monday morning.

Although it was thought that nearly everyone who could get out of town to enjoy the warm double holiday at beaches and vacation resorts had gone, a large crowd jammed Douglas Street, from where the parade started at View and lined the route up Yates Street to Quadra and on to the Royal Athletic Park. The Howie's Boys' Band led off with the music.

Children along the route clapped their hands and cried with delight as the various costumed characters appeared, starting with an angular man dressed as an old maid and taking a little Amy Cadboro-ville along for her companion. The children's section was the most interesting in the parade and brought out some novel ideas in costume. There was a little noddie with a silk hat on his head and balloons above, a baby baseball player appearing as one of the New York Giants, a children's cricket party, a happy baby, and one hopeful riding in a baby carriage.

Mickey Mouse and Minnie were presented by Joyce Milady and Florence Hobday of the Russian Ballet School. They were awarded first prize.

The Moose had a strong and colorful showing of uniformed members marching in formation, accompanied by their band. Women Moose members were particularly attractive and smart in their white costumes set off with a dash of color. They won the prize for the best lodge group and their band won the best band prize.

The Canadian Legion Band also had a smart turn-out, which enticed the parade.

There were a number of decorated bicycle entries and also motor cycles.

The Macabees had an original cowboy's harmonica band.

Mrs. J. C. Newbury entered a richly decorated motor car in the form of a complete floral float. The sight of this car along the route provoked expressions of admiration. She won the first prize. Mrs. Rose Rodgers also had a lovely creation in a decorated car section, and she won second prize.

The judging was done at the Athletic Park, where a large crowd assembled. The judging committee consisted of Miss Dot Crighton, Mrs. O. Denville, Mrs. Williams, Mrs. Granatada and Mrs. Williams, assisted by the following: J. P. Brown, R. S. Sprinkling, H. Campbell, D. Williams and Robert MacLachlan.

Prize winners were:

Kiddies' Cars, Tricycles, Etc.—1, Bobby Dalziel; 2, Raymond Twight.

Group of Pupils from Dancing School—1, Russian Ballet School (Joyce Milady and Florence Hobday); 2, Crepe Paper Costumes—1, Kathleen Orching; 2, Dorothy Wilce.

Best Small Orchestra in Costume—1, Macabees' Harmonica Cowboys; 2, Best Band in Costume—1, Loyal Order of Moose.

The parade committee consisted of George Dyson (chairman), Miss Georgia Hird, Mrs. J. P. Wren, Campbell, P. E. George, Frank Moulton, J. H. Campbell, M. J. Halsey, J. Brown, W. D. Taylor, J. K. Jones, D. McLennan and Alex Monteith.

### FORMER BISHOP HERE HONORED

#### Memorial Service at Cath- edral For Late Bishop W. W. Perrin

"With a deep sense of appreciation we give heartfelt thanks to Almighty God for life and work of William Wilfrid Perrin, sometime Bishop of Columbia. He led them with a faithful and true heart, and ruled them prudently."

This was the tribute paid to the late Bishop Perrin, former Bishop of Columbia, by Rt. Rev. C. D. Schofield, in a special memorial service on Sunday morning at Christ Church Cathedral. Bishop Schofield outlined the life and work of Bishop Perrin, taking as his text the third verse of

Psalm Lxxviii. "So He led them with a faithful and true heart, and ruled them prudently."

Bishop Perrin's life fell naturally into four divisions, he said. The first was his period of education, graduating from Oxford at twenty-two. The second was his ministry as a priest at Southampton, where he served for ten years. The third was his consecration as Bishop of Columbia in 1893, and the fourth his term as assistant bishop of London.

Bishop Schofield spoke of his predecessor's work in Victoria which had been confined chiefly to consolidation of the parish. The synod still carried the general outline of the work commenced by Bishop Perrin, he said.

## SOUND MEN LIKE MAE WEST'S VOICE

Hollywood, July 2.—The voice of Hollywood-to-day must have sex appeal.

And the men who put that composite voice on film are the ones who know the secrets of the various stars' vocal appeal—and the ones who give a helping hand to those who cannot naturally add vocal "it" to their lines.

E. L. Kerr, into whose ears have filtered many of the screen's most famous voices, revealed that in most cases the stars who are successful in-day do not meet a host from sound men, but that when occasion demands, a high voice may be lowered a bit and a too rumbling expression lifted.

The popularity of the stars, he indicated, evidently is in direct ratio to their screen voices.

Mae West, he pointed out, from a sound man's standpoint is as popular with the technicians as at the box office. Mae speaks in the same tone of voice when she has a "mutter" dangling above her head in a picture scene, as she does in her Hollywood apartment.

Marlene Dietrich, however, it was disclosed, lowers her natural voice a bit when the sound man says "turning."

But Bing Crosby, a natural baritone, whose distinctive vocal quality is the result of a small growth in his throat, raises his speaking voice a few tones. Although the sound man could raise it for him, Bing would rather speak a bit higher and avoid in his own way the deepness of his natural conversational voice.

Kitty Carlisle, whose high tones are natural, has to speak slightly below her normal tones in carrying dialogue. The high pitch of her voice, however, has made her singing one of the outstanding "finds" of the Paramount Studio this year.

Jack Oakie has to be on guard against too low vocal vibrations, it was disclosed, having a naturally high voice.

"When a voice gets below a certain vibration mark, it does not record well," Kerr explained. "From the sound men actors and actresses learn how low or high they can go without having to obtain artificial aid in our recording."

## HOROSCOPE

"The stars tell us, but do not compel"

WEDNESDAY, JULY 4, 1934

Adverse planetary influences are operative to-day, although there is a strong beneficent aspect. It is indicated that the day will be marked by a sensational event. Accidents may be numerous under this aspect, and should be avoided by careful. Nervous tension is likely to be prevalent.

The planetary direction encourages constructive activities and progressive policies. The people are advised that they have a responsibility in pushing forward conditions that secure prosperity. While obstacles may be encountered the promoter will be fortunate for the majority.

Women to-day should confine their interests to domestic and family affairs, for the stars promise little that is favorable in outside directions.

Patronage of the arts is well directed but they may arouse antagonisms if not wisely arranged so that scenes of over-class may participate.

Unrest and discontent may be widely distributed among workers at this time when there is a strong inclination to attack the present conditions.

Self-determination and independent action in small communities are recommended by the stars, who declare that permanent benefits will be obtained by devoting property in minor ventures.

Persons whose birthdate is 11 have the support of a year of rather extravagant ambition. Speculation should be avoided. Success through the aid of friends may be enjoyed by a few.

Children born on this day probably will be proud and self-willed. Subjects of this sign of Cancer usually are ambitious and at the same time sensitive.

Stephen C. Foster, song writer, was born on this day, 1826, and August 18, 1864. Carolyn Duran, French painter, in 1888. (Copyright, McClure Newspaper Syndicate)

This is the first time the two have been associated since Mr. Rogers was head of the Pathe studio and Rogell directed "Suicide Fleet" for him.

George Raft, sleek-haired film star returns today to the screen in *"The Drum-Blows,"* a thrilling, action-packed romance of Mexico and the most dramatic sports report in the world—bull fighting.

His supporting cast is headed by Adolphe Menjou, Frances Drake and a young actress, the daughter of the famous director, 17-year-old Patricia Morison. Also appearing are Edna May Oliver, Wynne Gibson and Francis McDonald.

The picture was directed by Stephen Roberts from the screenplay by Wallace Smith.

Drake, the younger brother of Sam Raft, retired bandit, now a respectable rancher, arrives back in Mexico from the States with a young woman, the older man tries to persuade him from becoming a bull fighter.

Drake draws Raft into an impulsive romance, and he in turn finds she is loved by his brother.

This conflict, flamed by the fact that Raft is a bull fighter, leads in defiance of his brother's dicta to reach a thrilling climax in a showdown on the same ground.

But Irene Dunne, in the sentimental comedy, *Mr. Deeds*, is a No-Radio drama now being shown at the Playhouse, in which she co-stars with Clive Brook, do not seek advice from anyone who such a situation confronts her in the film play. Her creed is "We must be in it live it and she needs to act upon that thought."

## Wenger and McGary B.C. Trap Champs

Former Retains Provincial Singles Title By Breaking 99 Out of 100 at Vancouver Meet; McGary Shatters 46 Out of 50 to Capture Doubles

Canadian Press  
Vancouver, July 2.—John Wenger, who won the provincial singles title yesterday, when he repeated his stirring performance of last year to score 99 out of a possible 100 in the singles championship of the British Columbia trapshooting event.

Wenger was closely followed by his teammate, Doug McGary, who shot a brilliant 88.

Bill McKinnon, another former B.C. titleholder, was next in line with 86.

J. A. Davy, chief constable of Fort Albert, came through with 85 out of the possible 100.

McGary won the B.C. doubles championship with 46 out of a possible 50 and the grand aggregate of 146 out of 150.

Three Oliver, leader of the B.C. singles and doubles for many years, again showed his class by breaking 48 out of 50 in the shot event, winning the club trophy for the provincial shot championship.

The international team shoot was won by the Vancouver Gun Club team, who also won the provincial championship team shoot and the Canadian Industries Trophy for the event and the individual silverware contributions.

Jack Scott, Marista, Wash., who has attended all the British Columbia championship shoots for the last ten years, was successful in breaking 50 out of 100 in the singles, equalling the score of the runner-up in this event.

Bill Anderson, Bellingham, arrived too late for the singles, but broke 44 out of 50 in the doubles.

## PAUL ROWE TRACK STAR

Penticton, July 2.—Led by youthful Paul Rowe and his teammate, Chuck Cunningham, Victoria stars raced to victory in three events, placed second in one and finished third in another at the British Columbia track and field championships here yesterday.

A blazing hot sun, that beat down mercilessly on the athletes throughout the day, and a rough track proved too much of a handicap to record-breaking aspirations.

Rowe, the curly-haired flash from Victoria, led home a classy field in the 100-yard dash for boys under eighteen, finishing in 10.8 seconds. The youthful Victorian came back to repeat in the 200 yards, beating Earl McComber, Vancouver, in 23.6 seconds.

Chuck Cunningham won the mile handily, jumping into the lead at the first furlong mark and holding it to the tape. His time was 32.2. Joe Wallace, Nelson, finished second.

**SENIOR CENTURY**

Martin Mayer, Vancouver, won the 100 yards senior sprint in 10 seconds flat, with his teammate, Vincent Forbes, inches back in second place and Dick Surphill, Victoria, a close third.

Forbes led his field to the tape in the 200 yards senior in 23.1. Surphill was second.

McComber won the 120-yard high hurdles in 1:11. Tom North, Vancouver, was second, and Blake Martin, Vancouver, third.

McComber took the high jump with a mark of 5 feet 9 inches. The pole-vault went to E. Burritt, Vancouver, after a jump off with Tony Stubbis, Kelowna, when both tied for first place after clearing the bar at 11 feet 11 inches. Burritt's winning jump was 11 feet 9 inches.

The Victoria relay team displayed superiority in teamwork to capture the relay championship from the Summerland squad.

Martin Todd, crack Penticton sprinter, dashed over the 60 yards senior girls in 7.7-10 seconds.

## Australians Beat Surrey

London, July 2.—The touring Australians to-day defeated Surrey by six wickets in their cricket match that started yesterday. Surrey went to bat first on Saturday and ran up 175, only to have the visitors reply with 261. In the second innings the home team got 184, but Australia came back today with 111 for four wickets.

Don Bradman, who has not been doing so well on his English tour, cut loose to-day to score 61 not out.

## ROYALS TURN BACK NANAIMO

New Westminster Scores 4 to 2 Victory in Dominion Football Series

Vancouver, July 2.—New Westminster Royals qualified to meet either St. Andrew's or North Shore United in the British Columbia final of the Dominion soccer championship series yesterday by defeating Nanaimo City 4 to 2, before 3,000 spectators here.

The other semi-final will be played here to-morrow and the final next Saturday.

Royals deserved their win for they were the more methodical team in one of the best games played here this season.

Nanaimo put up a great display in the first half and did not deserve to be a goal down at the interval, but they became disorganized for fifteen minutes after half-time and Westminster settled the issue by scoring two more counters in that time.

## In Baseball Trade

Both are members of the Victoria Gun Club.

## Helen Jacobs In Wimbledon Semis

U.S. Champion Defeats Cilli Aussem in Straight Sets in All-England Tennis Championships; Perry, Crawford, Shields and Wood Advance

Wimbledon, Eng., July 2.—Helen Jacobs, United States champion and top-ranked favorite, to-day won her way to the semi-finals of the all-England tennis championships with a 6-6, 6-2 victory over Cilli Aussem, former ranking player of Germany.

Dorothy Round, Britain's principal hope, followed Miss Jacobs into the semi-finals with a 6-4, 6-2 victory over the Swiss player, Lolotte Payot.

Miss Jacobs singled only eleven points in the first set. The only time the Fraulein Aussem appeared to have a chance was in the second set, when she held her service to two-all.

Then Miss Jacobs put on the pressure and ran four straight games for the set and the match.

**CRAWFORD IN BED**  
Jack Crawford, defending champion from Australia, was in bed to-day with a sore throat and a temperature of 100. He collapsed in his dressing room yesterday after his hard match with Lester Stoen, United States.

Joan Hartigan, sensational invader from Australia, won her way to the semi-finals with an upset victory over Margaret (Peggy) Scriven, top ranking English girl, 3-6, 6-3, 6-1. She will meet Miss Jacobs.

Results yesterday in the quarter-finals of the men's singles: Fred Perry defeated George Lott, United States, 6-4, 3-6, 7-5, 10-8.

Crawford defeated Lester Stoen, United States, 7-5, 2-6, 7-6, 6-2.

Frank Shields defeated "Bunny" Austin, England, 4-6, 3-6, 7-5, 6-3, 7-5.

Kirby, South Africa, 6-4, 3-6, 6-2. To-morrow, Perry will play Wood, while Crawford meets Shields.

After the first two sets had been divided, Lott was leading Perry 4-2 in games in the third set. Fred rallied in the fourth to sweep five straight games and the match after the Americans had traced into a 5-3 lead.

Shields made a grand uphill fight against Austin after dropping the first two sets. The slim Englishman weakened in the latter stages of the match, much as Stoen did against Crawford, while Shields steadily gained better control of his backhand.

## THE BIG SIX

With only four members in action, six hits was the best baseball's Big Six could do yesterday, with the result there was a general downward trend in batting averages. Nellie Manung got two of the hits, but he was at bat five times and failed to gain. Carley Gehring connected with two blows and lost two points as he faced the St. Louis pitchers seven times in the National League.

Bill Terry, the leader, and Sam Rice got only one hit each.

## St. Louis Finds Umpire Is Tough

Manager Frank Frisch and Two Others Banished From Game By Umpire Klem For Protesting Too Long; Cards Beaten 7 to 4; Giants Trounce Boston

Heat, humidity and two terrific pennant races are shortening baseball's season these days. Frisch, managers and coaches, cutting aspersions on the eyesight of harassed umpires, are taking early showers by emphatic request.

Yesterday Bill Klem calmly waved Manager Frank Frisch, Coach Mike Gonzalez and Jimmy Dean of St. Louis Cardinals to the clubhouse after they came what he judged to be protesting on a play that paved the way for the Cardinals' 7 to 4 defeat by Chicago Cubs.

Leading, 3 to 1, the Cubs had one run in and the bases filled with one out in the seventh when Chuck Klein lifted a high pop fly in front of the plate. Bill Delaney, young Cardinal catcher, apparently was not to catch the ball but missed it completely, then threw wild to the plate and another run scored.

The Cards claimed the ball should have been ruled an infield fly, and Klem ruled out automatically, but Klem thought otherwise and tossed John Gonzalez and Dean off the field for carrying their protest too far.

## Former Canadian Ring Champ Dies

Washington, Pa., July 2.—Howard Mayberry, thirty-six, one-time lightweight champion of Canada, died in hospital yesterday evening a few hours after his left leg was amputated at the thigh. Mayberry, who claimed the official title of lightweight champion of the United States Navy in 1921, was injured in an automobile accident last November 11.

## VANCOUVER IN EASY VICTORY

Mainland Cricketers Beat Victoria By Innings and 117 Runs in Holiday Match

Vancouver, July 2.—A Vancouver eleven yesterday scored a one-sided victory over visiting Victoria cricketers by an innings and 117 runs. On a wicket apparently favorable to batting, Vancouver hit up 225 and dismissed the Capital City batsmen for a paltry 90 in the first innings and 111 in the second, when they followed on.

In the first two hours of play, the innings were for a day of heavy scoring. Vancouver having 100 on the board for the loss of four wickets at the lunch interval.

Wally Scott, the Aurora's batsman, hit up 100 and gave a fine exhibition of free scoring, but his innings was marred by three chances. Two of which were given early.

**BOWLERS SET STRENGTH**  
Young Jack Payne was the only island bowler able to control length and trouble the batsmen. After lunch, Darius and Jack Payne became steady and in thirty-five minutes dismissed the remainder of the Vancouver side at an added cost of 60 runs.

The reply of the islanders was disappointing, the entire team falling before the deadly bowling of Hendy and Bullen in 1 hour 15 minutes. Hendy bowled twelve overs and accounted for six wickets for 30 runs, while Bullen turned in the sensational figures of three overs, three maidens and three wickets for 30 runs.

In the next innings, the islanders were a bit more impressive. Wenman showing a sparkle of brilliance in scoring 56. Hendy captured four more wickets for 8 runs.

**HOME GAS IN TWIN VICTORY**

Vancouver Ball Team Defeats Sons of Canada in Two Holiday Exhibitions

Home Gas baseballers of the Vancouver Senior League invaded the city yesterday and won two games from the Sons of Canada, leaders of the local circuit. The games were played at the city stadium, and the first game was a 4 to 3 decision in the morning exhibition, and the second game was a 11 to 8 decision in the evening exhibition.

The morning game saw Kenner, Home Gas speedball pitcher, lead the Sons to two scattered hits, including a three-bagger by Ross Nicholson, Sons' second baseman. Tommy McGraw, who occupied the mound for the Sons, was found for eight hits.

The Home Gas moved into the lead with two runs in the first inning, and managed to retain their margin the distance, although the Sons threatened on several occasions.

**THE NIGHT GAME**  
The night game saw Lloyd Cann turn in a fine pitching performance for the Sons and get miserable support from his teammates, no less than twelve errors being scored against them. Jack Boston, shortstop, and Nicholson, second base, were the worst offenders with four and three errors, respectively. The final blow-off came in the seventh inning when the Sons and got a 11 to 8 decision in the evening exhibition.

The Sons had better than an even chance to win the night performance if they had not proceeded to boot the ball all over the lot.
